## FROM THE HEADMASTER:

Our new M.B.A. students have been selected from a large number of fine candidates. As Mr. Drake and I talk with each incoming young man and his parents, we hear frequently that the family first became seriously interested in M.B.A. because of the enthusiasm of one of our present parents. Your role as an ambassador for the school is vital, for you know the kinds of young men you want with your son and you have a good idea of what it takes to be an M.B.A. student. We appreciate your significant part in giving us a very able, bright, and highly recommended group of new students. The school depends on "word-of-mouth" publicity. Rather than spend funds for slick promotional materials, we are committed to spending monies for excellent teachers and programs. You, our parents, enable us to save countless thousands of dollars in this way. More important, you help us maintain the finest student body in the preparatory school world. We say a heartfelt "thank you" and ask that you continue mentioning M.B.A. to your friends.

## ART SHOWS

Our next show features the work of Nashville artist Ann Street. We are assembling over 40 oil, pastel, and charcoal portraits to be on display in the Patrick Wilson Library. The show will open Sunday, March 28, with the reception from 2-4 and will remain open to the public through April 8. Your invitation, which you should have received by now, was designed in calligraphy by Dr. Crowell.

Art shows are a service of the Ladies' Auxiliary and have involved many volunteer hours on the part of parents. Special thanks go to these committee chairmen:

Invitations - Norma Warren  
Hostesses - Helen Dale  
Refreshments - Ann Shankle

Docents - Margaret Smith  
Publicity - Frances Corzine  
Transportation - Henry O'Neil

Student art will be on view in April in conjunction with the Arts Festival with Harpeth Hall. Our last show of the year will be May 2-14, exploring our own talent and resources among faculty, parents, and alumnae. Those whose art and/or craft will be on exhibit include Pat Burch, Robert McConnell, Brigitte Porter, David Strayhorn, Royal McCullough, Ruth Starr Strayhorn, and Lynne Thompson, to name a few. Don't be left out! Please contact Mary Rollins (383-8418) or the school office (298-5514).

### EAGLE SCOUTS

Arthur Bond and Hunt Adams have earned the rank of Eagle Scout in their local troops. M.B.A. wishes to congratulate these two fine individual on their accomplishment.

### DEBATE TEAM

On February 12 and 13 the M.B.A. Debate team participated in the National Forensic League's District Tournament at Overton High School. The team of Wyatt Wells and Craig Franklin won the tournament when they defeated Madison High School in the final round. Wyatt and Craig will represent the State of Tennessee at the National Tournament in San Francisco this June. Lyn Robbins and Bryan Hassell, Sam Chang and Ty Brown have qualified for the Catholic National Tournament to be held in Detroit this May.

### FRESHMAN WRESTLING

The Freshman Wrestling team, coached by Mr. Gaither, had a very successful season. The wrestlers finished with a 6-0 dual meet record and won the Western Division of the City Tournament. M.B.A. defeated such perennial powers as Ryan, Overton, and Northside to win this title. Those that excelled in the City Tournament were Fourth-Place Winners David Claunch, Paul Soper, and Eric McConnell; Third-Place winner Bill Cochran, Second-Place finisher Stuart Harmer; and First-Place Winners Will Campbell, Walter Smithwick, Steve Saperstain, and Steve Rollins. In the Mid-State Regional Tournament, Steve Rollins placed First; Walter Smithwick, Steve Saperstein, and Stuart Harmer finished Second; and Paul Soper and Eric McConnell took Fourth-Place to give the BIG RED Wrestlers Third-Place overall.
